## Post Commander

Our Kids' Pancakes with Santa event was a tremendous success! We were thrilled to see so many children and families come out to enjoy a fun-filled morning of pancakes, laughter, and holiday spirit. Santa's visit brought plenty of smiles, and the sense of community in the room truly reflected what our post is all about. Events like this are important to us because they help spread the word about who we are, what we do, and how we support our community, while also welcoming new members who may be interested in getting involved.

As we move forward, please be aware that **this month will be the final printed and mailed edition of our newsletter.**

Unfortunately, the costs of printing and postage continue to rise, making it necessary for us to transition fully to a digital format. We encourage everyone to stay connected by signing up for our email newsletter. Simply visit [alpost1151.org](http://alpost1151.org), scroll to the bottom of the page, and enter your email address in the "Sign Up for Our Newsletter" section to continue receiving updates, news, and announcements.

In addition to the newsletter, all of our events and activities are also posted on our Facebook page, so be sure to follow us there to stay up to date on everything happening at the post and in the community. Last but not least, we hope everyone had a wonderful and safe holiday season. We are grateful for your continued support and involvement, and we are truly excited to see what the new year brings for our post, our members, and the community we proudly serve.

## CHAPLAIN'S MESSAGE

We have instant-everything. The internet is answering questions, giving us directions, and so much more. We can talk or FaceTime people on the other side of the globe in real time. An ATM will dispense cash from our bank at any time day or night. There is an Instant Pot to cook in, a microwave and fast food for instant dinners. Amazon has opened an instant shopping mall. And somehow, if we have to wait three

minutes at the post office, we're agitated because of the delay. We've all heard the line: "Well, I wished for patience and look what happened!" The inference is that lots of long-suffering problems ensued. God's timing is different than ours. In 2 Peter 2:8 we read, "But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day". Take time with others, slow down, and look around you, meditate on God's Word. Your heart will listen better, your attitude will improve, and your problems will not deter you from happiness.
